

PARROT SOCIETY IRELAND JOINING FORM

We hope you enjoy the magazines and website. Because of the support you show by joining it helps us keep the magazine going & also enables the society to grow. When rejoining we do issue 2 reminders. A first then a final, as we need to know how many magazines to get printed for each dispatch.

WELCOME FROM THE PARROT SOCIETY IRELAND

MAGAZINE EVERY 2 MONTHS

Welcome to the Parrot Society Ireland. We in Ireland are the first ever bird society to offer a full coloured magazine with membership. We have 2 memberships and they single & life membership. The reason for the membership fees is the upkeep of the magazine as well as membership cards and the stationary required to keep the magazine as well as the application forms going, as we are a non-funded society & we get no help what so ever, therefore we need to charge or we can't have a society or magazine. Other charges include printing, postage & advertising. For this we thank all our members & new members to be.

We invite all members to send in stories about their birds as well as photos for the magazine & the website. We will get to publish all of them as the months go on. We want members to pass on their experiences in breeding & keeping birds, to help the new comers to the hobby. We find that so many don't want to share information on keeping & breeding birds, & this is holding many people back from starting a hobby, or for people who are interested in getting back into it. Now we at the Parrot Society Ireland, & our members are here to help as much as we can.

We will from time to time be having bird shows. You don't have to be a professional to show your birds, as we want to make it fun and enjoyable for all the family. We invite everyone along for great days out, & award people certificates for best bird in show etc; There will be a few different contests during the day, for example, best African Grey, then best Senegal, etc; finally we announce the best bird in show.

We also have meetings & we will let all members know when & where with plenty of notice, & this will give new & old people to the hobby a chance to come & meet us then hopefully join the Parrot Society Ireland. Also by having the society, it will give people a chance to find what other members are breeding & keeping, also if anyone is looking for certain birds, then at least they will have a contact.

The Parrot Society Ireland started up in 2004 with just two members. During this time I was reading and hearing a lot that Ireland did not have a Parrot Society which offered a magazine or advice to help people in the hobby. So in March of 2007 I decided to launch an official website <http://www.parrotsocietyireland.ie> an official email address parrotsocietyireland@eircom.net and an official phone number 087 139 0913.

So we are here to help all our members & new people who wish to join & look forward to meeting with you at bird shows & meetings when arranged.

Regards

Declan Gibbons (Parrot Society Ireland Founder & President)
